

# Post 435 Snowstorm of the Century Mini Palma World Championship

February 8, 2020

The 13th annual Post 435 “Snowstorm of the Century” Mini Palma World Championship was hosted on the frozen tundra of Post 435 Gun Club. Subzero temperatures couldn’t dampen the enthusiasm for the chance to take home the coveted Post 435 World Championship Trophy.

Nine hearty souls endured the bitter cold, frostbite and verbal abuse in what has widely become known as the 20 coldest shots since the Battle of the Chosin Reservoir.

Equipment varied with 4 manly men shooting with iron sights and slings, 4 less than manly men (pansies) shooting with scopes and bipods, and Todd (Shootin’ Stick) Underdahl, playing hurt, shooting irons and using his homemade shootin’ fixture. While the bitter cold temperatures didn’t cause any equipment failures as it had in past years, I did have 2 rounds requiring multiple primer strikes to fire.

When the snow settled and the frozen bodies were pried off the deck, it was Mike (Dead Eye) Hewitt crowned as World Champion, taking home the highly prized and sought after Post 435 World Championship Trophy. Yours truly, had the high iron sight score earning the Ironman Trophy, if there was such a thing.

All and all, any day spent shooting beats a day working.

Submitted by: Mark (El President’e) Havlik

Mike (Dead Eye) Hewitt	198.03		World Champion
Jon (Cool Hands) Possehl	193.03		
Mark (El President’e) Havlik	183.03	Irons/Sling	Ironman Trophy
